Seminar: "Killing life to make life: the biopolitics of soil fumigant regulation in California's strawberry industry"

Speaker: Dr. Julie Guthman, UC Santa Cruz
When: Tuesday October 28th (Tomorrow!) at 4:10-5:30 PM
Where: 3201 Hart Hall

Julie Guthman is a geographer and professor of social sciences at the University of California at Santa Cruz where she teaches courses primarily in global political economy and the politics of food and agriculture. Professor Guthman will discuss her new research about soil fumigant regulation in California’s strawberry industry, focusing on how biopolitical concerns about protecting life are articulated in ongoing regulatory discussions about fumigant use.
Open House: Touro University California, College of Pharmacy

When: Friday, Nov 7, 2014 10 - 4:00 PM
Where: Vallejo, CA

ALL are WELCOME - prospective applicants, undergraduate students, student clubs, and academic advisors. MEET Faculty, TUC Alumni, Pharmacy students, and Admissions Representatives and SEE what TUC has to offer. We will be offering a variety of informational sessions, student-guided campus tours, a catered lunch and post-event reception.

Learn more about TUC’s unique 2+2 program, on-campus pharmacy practice center, life as a TUC pharmacy student, the MPH dual degrees, the MS degree in medical health sciences, and general information on applying to pharmacy schools.

Seating is limited, so this event requires advanced registration
GO TO: http://admissions.tu.edu/cop/
email: admit@tu.edu

Check-in & campus tours begin at 9:00 AM at the Farragut Inn. Informational sessions begin at 10:00 AM. Additional information will be available at check-in. Please inquire about travel compensation for large groups.

2015 Annual Bay Area Safety Symposium

When: Wednesday March 4th
Where: San Ramon, CA

An ETOX Alumnus, Dora Tsang, is looking for students to get involved with the 2015 Annual Bay Area Safety Symposium in spring. Students are invited to attend the symposium as guests or as student volunteers if they are interested in sharing their research projects (poster presentation).

The symposium is a great opportunity for networking, attending professional development sessions, and making valuable employment and internship connections. For additional information about the Bay Area Safety Symposium, please visit http://assesf.com/ or contact Dora Tsang at dtsang@bmrn.com.

Health Peer Advisor Positions (2014-15)

Application Deadline: Friday, October 31, 2014
AJL ID: 785780 and 785701

Are you a prehealth student who enjoys helping your fellow students? Excited about your chosen health career in medicine or one of the therapies (PT, OT, SLP)? Health Sciences Advising is currently accepting applications for Health Sciences Advising Peer Advisor positions for the 2014-15 academic year. This job is a paid position at $9.50/hour, and peer advisors will be expected to work approximately 5-10 hours/week.

TWO positions are currently available:
1. Medicine
2. Physical Therapy/Occupational Therapy/Speech Language Pathology

The Emergency Medicine Research Associates Program (EMRAP)

Informational Meeting: Thursday November 6th from 7-8 pm in Olson 227.
Application Opens: Monday November 3rd
Deadline: November 3rd to Friday November 14, 2014 by 11:59pm
When: Winter and Spring 2015
Where: UC Davis Medical Center
EMRAP is recruiting for Winter Quarter 2014! This is a great opportunity for those who want experience in both emergency medicine and clinical research! Research Associates (RAs) identify ER patients who are eligible for studies, and complete various activities to assist in enrolling them, including consenting patients, taking information directly from patients, and chart extraction through electronic medical records. This is a unique opportunity for undergraduates to observe and learn emergency department (ED) operations and protocols, as well as interact with physicians, students, nurses, and research faculty and staff.

A consecutive two-quarter commitment (Winter and Spring) for EMRAP is required. Course credit is offered to first quarter RAs (EMR92/192), varying between 2-4 units depending on your level of commitment. All first quarter RAs are required to attend a weekly lecture at the UC Davis Medical Center on Tuesdays from 4-6 pm during Fall Quarter. These lectures will serve as your orientation to the program.

TO APPLY: Our application can be on our website below or at the link: http://goo.gl/Y71SgZ

**Summer Atmospheric Research in Washington D. C.**

- Application Deadline: Saturday November 1st, 2014
- When: Summer 2015
- Where: Washington D. C.

The UC Davis - Howard University Atmospheric Science Bilateral Graduate Admissions Pathways (ASBIGAP) Program seeks UC Davis undergraduates for its summer 2015 research program.

We invite applications from UC Davis juniors who wish to spend seven weeks doing research in atmospheric science with faculty at Howard University, a leading historically black university and home of the [NOAA Center for Atmospheric Science](http://www.ucdavis.edu). Students accepted into the ASBIGAP program will receive a stipend of $4000 in addition to room, board, and paid travel to Washington DC. Research areas include aerosols, atmospheric chemistry, climate modeling, turbulence, regional climate change and precipitation, and cloud physics.

For full information, please see asbigap.ucdavis.edu.
Volunteer Flu Clinic

When: Saturday, November 22, 2014 8 a.m. to 3 p.m. (actual clinic hours 9 a.m. to 2 p.m.)
Where: West Sacramento City Hall
1110 West Capitol Ave., West Sacramento 95691

The Yolo County Department Health Services & Office of Emergency Services will be doing a FREE Flu Clinic to provide our community members with a chance to receive a flu vaccination. Nearly 80 volunteers are needed to help with registration, screening, vaccinating, crowd and traffic control, and overall management of the mass vaccination clinics.

If you are interested in volunteering for this event, please take the "Intro to POD Operation" course online at: http://www.yolopodclasses.org/class1.html; An email confirmation will be sent to you registering you to volunteer for the event. After you have taken the course, mail the Volunteer Coordinator at volunteer.coordinator@yolocounty.org. Please include: your name, whether or not you have volunteered in the past, and your interest in volunteering for the West Sacramento POD in November. Please note all volunteers must register prior to volunteering for this flu clinic. Walk-in Volunteers cannot be accepted due to liability issues.

For more information: Contact the Yolo County Volunteer Coordinator at volunteer.coordinator@yolocounty.org.

Financial Support

Strauss Foundation Scholarship for Public Service

Meeting: Wednesday November 12th, 3:30 PM
Location: MU Special Events Room

The Strauss Foundation works with only 15 colleges and universities in California and provides funding for 2nd and 3rd year students to pursue Public Service Projects. UC Davis has been particularly successful in submitting qualified applicants as we have had 1 or more applications selected as scholarship recipients in all but 1 year of the program.

Students can receive up to $10,000 to help fund their Public Service Project. To learn more about the scholarship, attend the “Meet a Trustee” event on Wednesday November 12th at 3:30 pm in the MU Special Events Room. For more information on the Strauss Foundation, visit www.straussfoundation.org or contact Scott Palmer at scpalmer@ucdavis.edu.
UC Davis Scholarship Application

Deadline: January 7th, 2015

The 2015-2016 UC Davis Scholarship Application is now available. Please fill out the online applications at scholarships.ucdavis.edu. To be eligible you must have a UC Cumulative GPA of 3.25, submit a letter of recommendation, and be planning to enroll for two quarters in the next academic year.

2015 - 2016 NSF Graduate Research Fellowship Program (GRFP)

Deadline: October 29 – November 4 2014 (varies by discipline)
UC Davis Information Meetings (TBA)

The NSF GRFP recognizes and supports outstanding graduate students in the relevant science (including social sciences), technology, engineering, and mathematics (STEM) disciplines* pursuing research-based master’s and doctoral degrees, including women in engineering and computer and information science. UC Davis currently has 144 NSF GRFP fellows, ranking as one of the top institutions nation-wide in this Program See the attached flyer for more information and visit http://www.nsfgrfp.org/

Undergraduate and Prestigious Scholarships

The UC Davis Undergraduate and Prestigious Scholarships office provides prospective and enrolled students with information and access to internal and external financial resources. They assist students with the UC Davis Scholarship Application process and help students with private and prestigious scholarship searches and applications. Check out the scholarships they have listed, and see if you qualify to apply: http://financialaid.ucdavis.edu/scholarships/index.html

Getting Transcript Notation for Internships

Want Transcript Notation (TN) for your internship? Want TN for doing research with a professor? Many students who participate in internships or research at UC Davis are not aware they can receive Transcript Notation (TN). The Internship & Career Center offers Transcript Notation to students who work at an approved and supervised internship for at least 40 hours per quarter. With just a bit of online paperwork, you can have your internship title, location and quarter taken noted on your official UC Davis transcript.

Instructions on how to file TN online: http://iccweb.ucdavis.edu/pdf/2011AJLStudentTN.pdf
Want academic units instead? See http://iccweb.ucdavis.edu/students/AcademicCredit.htm
