Announcements

Mark Your Calendars for the 100th Annual Picnic Day!!
When: Saturday, April 12
Where: UC Davis Campus (ETX Dept will be in 1138 and 1135 Meyer Hall)

Come join UCD in celebrating everything that makes this campus great! Food, prizes, games, exhibits, and more will be offered throughout campus!

The Environmental Toxicology Department needs volunteers to help make this Picnic Day (the 100th!) the best one yet! As a volunteer you can help with many different tasks and you’ll be treated to a tasty pizza lunch!

On Picnic Day, the ETOX Department needs volunteers to:
- Meet and Greet visitors
- Work with children at the activity tables
- Help distribute giveaways to visitors (e.g., Lady Bugs)
- Cover exhibit tables and answer questions from visitors
- Set-up on Friday, April 11 (1-5 p.m.)
- Clean-up at the end of the day (3:30-5:30 PM on April 12th)

If you have some time to help, we still need a few extra hands to help out with the set-up of Picnic Day on Friday, April 11 (1-5 p.m.) in the Foster Room 1138 and 1135 Meyer. Between 1-2 p.m. we will be transporting materials from the 4th floor Meyer to the 1st floor. Between 2-5 p.m., we have tables and chairs to rearrange, tri-pods set-up, table coverings placed, posters to hang, table displays setup, etc.

Also, if anyone can help with the break-down of exhibits at the end of Picnic Day (Sat., April 12) between 3:30-5:30 p.m. that would be great, too.

Anyone who volunteers to help (Friday or Saturday) is invited to a pizza lunch on Picnic Day from 12-1:30 pm (check in with Susan at the Foster room).

Thanks much, we appreciate your help!

For more information or to volunteer, email Susan Kancir at sgkancir@ucdavis.edu.

A Note to Graduating Seniors (Spring or Summer)

Congratulations, you’re almost there! Before you graduate, there are a few things that you’ll need to take care of. If you have not already done so, please check the information available on our new ETX website:

- Filing to Graduate
- Registering to walk in Commencement
- Preliminary Degree Certifications
- Meeting with your Faculty Advisor to sign your Restricted Elective list

First Year Seminar Course Announcement: Save the Bees
Spring 2014, Course just opened!

FRS 004 Sec. 010 (2 unit)
CRN 25148
T 2:10-4:00pm Briggs 366

Instructor: Neal Williams, Department of Entomology, College of Agricultural & Environmental Sciences, Co-instructors: Rei Scampavia, JJ Smith, Jenny VanWyk

Description: This seminar introduces students to current issues facing both honey bees and native pollinators in North America, as well as ways to get involved in activities and organizations that promote the welfare of these pollinators. Through formal class debates, students will critically examine two key issues. In the process, students will become more familiar with the analysis of both scientific literature and news media. Students will learn more about and participate in projects that have the potential to effect positive change for pollinators, such as the Backyard Bee Count, a citizen science project designed to monitor bee populations in North America. Using the topic of pollinator conservation, students will explore and participate in the process of transforming scientific research to public outreach projects, the formation of policy, and activism.

25th Annual Undergraduate Research Scholarship and Creative Activities Conference

The Conference is an opportunity for undergraduates in all academic fields to present their research. Come see your peers present their current research!

Poster Sessions • Friday, April 25, 2014 • Freeborn Hall • 3:00 - 7:00 p.m.
Arts Exhibit • Friday, April 25, 2014 • Freeborn Hall • 3:00 - 7:00 p.m.
Oral Sessions • Saturday, April 26, 2014 • Wellman Hall • 1:00 - 6:00 p.m.

For more information, visit: http://undergraduateresearch.ucdavis.edu/urcConf/

Coffee with the Dean

When: Monday, April 28, 2014; 9:30 - 10:30 am
Where: Buehler Alumni Center, AGR Room

All undergraduate and graduate students in the College of Agricultural and Environmental Sciences at UC Davis are invited.

Dean Helene Dillard, the college’s new dean (she started in January 2014), will provide leadership and oversight of the college’s academic programs during her tenure. This coffee break will provide the opportunity for you to share your thoughts, and ask questions of the dean about her future plans.

Please RSVP for this free gathering by April 21, 2014.

**Honey Bee Internship/Research for Spring and Summer Quarters**  
Now Accepting Applications!

Here’s an internship opportunity for students interested in helping with field research on the effect of neonicotinoid pesticides on honey bee foraging!

The experiment will be conducted in the spring quarter, and will likely continue into the summer. Assistants would be required for the at least one quarter, but would be encouraged to help for the entire duration of the experiment. Juniors and seniors can earn between one and five upper division entomology credits depending on the amount of time put in; freshman and sophomores can earn the same amount of lower division credits. Some background in scientific coursework and lab work is generally helpful. However, most of the skills required will be learned in the field. Assistants will help with beekeeping, field observations and data collection and data analysis. If interested in working in the field, applicants must not be allergic to bee stings, and should be comfortable working in close proximity to honey bees.

Students who help with this research project may have additional opportunities to continue work, and possibly conduct research of their own if the field interests them.

Applications can be sent to gxsmith@ucdavis.edu, and should include a resume with relevant course and lab work, and previous work experience.

**Soil Hydrology Student Assistant**  
When: Starting Now  
Where: Brown Lab, UC Davis

Maziar Kandelous is a PhD candidate in the LAWR department and he is looking for an undergraduate student to assist with his laboratory work in soil hydrology. The student will assist with soil physical properties analysis. Training on all equipment and methodology will be provided. Expected workload is 15-20h/wk. Flexible volunteer/internship/paid position is available. The pay will be $8.00/hour.

Please send your resume to Maziar Kandelous, mkandelous@ucdavis.edu.

**Seasonal Field Assistant: Plant Pathology**  
Application Deadline: April 20, 2014  
Duration: May/June-September  
Location: Big Sur, CA and Davis, CA

The Rizzo lab at the UC Davis Department of Plant Pathology is seeking a field assistant to help study spread and impacts of Sudden Oak Death (SOD) in the Big Sur region of central coastal California. The position will begin late-May to early-June and end mid-late September.
The work involves the resurvey of long-term ecological monitoring plots. Essential duties include accurate re-measurement of tree diameter, vegetation censuses, woody debris/fuel quantification, soil collection, identification of pathogen symptoms, and collection of symptomatic plant material for further analysis at the laboratory based in Davis, CA. The position requires attention to detail, the ability to work as part of a larger team in the field, and excellent quality control in the transfer of specimens and data to the main lab. Candidates need to be in excellent physical shape; field work will entail long days, strenuous hiking (up to 6 miles a day), and the ability to lift and hike with heavy backpacks (up to 50 lbs) on uneven terrain with very steep slopes. The position will include occasional, weeklong, overnight backpacking trips. Ideal candidates will have experience conducting vegetation surveys, orienting in the backcountry, identifying plants in CA coastal forests.

Housing is provided at UC’s Big Creek Reserve and researchers will living will be in close quarters. Pay will commensurate with experience. Applications will be considered until the position is filled, but preferably should be submitted before April 20th. Send a statement of interest with a resume including contact information for three references to Kerri Frangioso, kfrangioso@ucdavis.edu.

Volunteers Wanted for 42nd Annual UC Davis Native American Powwow

When: Saturday April 19th 2014 11am to 10pm
Where: UC Davis Campus Outdoor East and West Quad

We are respectfully requesting the support and assistance of our Davis community to lend a helping hand and volunteer to help make the UC Davis Powwow an enjoyable event for everyone.

This event depends on the kind, respectful and hardworking volunteers in order to be a quality event for our everyone in attendance.

We are looking for Powwow volunteers to serve shifts of 2 hours or more on the night before Powwow Friday April 18th 4pm to 6pm and the day of Powwow Saturday April 19th 7am to 11pm.

All volunteers who have signed up will need to attend a Powwow Etiquette Workshop that will provide basic information about what a Powwow is, protocols to follow and what to expect the day of. This Powwow Etiquette Workshop will take place within the first 2 weeks of April with a professor from the Native American Studies Department. Workshop date and location are TBA.

If interested, please sign up to volunteer using the Google Doc HERE.

Financial Support

Travel Scholarships and Abstract Submissions for the SACNAS (Society Advancing Chicanos/Hispanics and Native Americans in Science) National
Conference
Application Deadline: April 15, 2014; 5:00 PM for both Travel Scholarship and Abstract Submission

Travel Scholarship:
Through the generous support of government agencies (NIGMS, NSA) SACNAS is able to offer a limited number of travel scholarships for the annual SACNAS conference. A SACNAS Travel Scholarship funds the travel and lodging expenses to attend the 2014 SACNAS National Conference in Los Angeles, California, October 15 - 19, 2014. All students meeting the eligibility requirements, regardless of ethnicity, are welcome to apply for the travel scholarship.

Applicants must meet the following eligibility requirements:
1. Be one of the following at the time of application submission and during the conference:
   1. Undergraduate - including Community College & Tribal College students
   2. Post baccalaureate - up to three years since degree completed
   3. Graduate - including Master's and PhD programs
   4. Postdoctoral Researcher - up to five years since degree completed
2. Be pursuing an education/career in STEM or a related field
3. Be in good academic standing (students)
4. Be enrolled full-time in an accredited college or university in the Fall 2014 (students) or be able to provide proof of degree completion (post baccalaureates and postdocs)

Other requirements:
1. Be a current SACNAS member. You must have current SACNAS Membership (thru conference dates). You will not be able to access the application without current membership. (The $15 1-year student membership will suffice.)
2. Have a SACNAS Profile. Update your SACNAS profile or create one.
3. Applicants with outstanding balances cannot receive an award and should submit payment to become eligible.

Abstract Submission:
Undergraduate students, post-baccalaureate, graduate students, and postdoctoral researchers are invited to submit an abstract for a chance to present their research during the Annual National Conference. A vital component of our mentoring program, SACNAS mentors provide feedback and guidance to students at every level of research experience and presentation skill. Here are some examples of abstract submissions accepted in various STEM disciplines.

For more information about the travel scholarship, visit: [http://sacnas.org/events/national-conf/travel-scholarships](http://sacnas.org/events/national-conf/travel-scholarships)
For more information about the abstract submissions, visit: [http://sacnas.org/events/national-conf/student-postdoc-research-presentations](http://sacnas.org/events/national-conf/student-postdoc-research-presentations)
Questions? Email the UC Davis SACNAS Chapter Co-President, Rebecca Belloso at rabelloso@ucdavis.edu.

Undergraduate Research Travel Awards
Application Deadline: May 8, 2014; 5:00 PM

The Undergraduate Research Center has funds to support UC Davis undergraduate students travel to undergraduate research conferences and meetings of nationally and internationally recognized professional societies to present their research. There are three opportunities to apply for travel during the academic year and summers preceding and following. Funds are disbursed to the sponsoring PI (UCD Faculty) who will be responsible for handling the travel reimbursement.

For students who may be interested in applying for travel funds, the next deadline date is May 8, 2014. The website includes eligibility, updated instructions and the application form.
http://undergraduateresearch.ocp.ucdavis.edu/travel_awards.html

This is a competitive award. All applications will be reviewed and ranked by the College awards committee affiliated with the applicant’s major. Funding decisions will be announced by e-mail in June.

Questions? Contact Tammy Hoyer at tahoyer@ucdavis.edu or call (530) 752-3390.

SASC workshops are free and students are not required to register. Questions? Contact Arnette Bates at 530-752-9301 or call the service desk at 752-2013.

**Internship and Career Center (ICC), A&ES Advising**

Searching for a quick resume tune-up? The UC Davis Internship & Career Center (ICC) offers drop-in student advising Monday through Friday from 10a.m. - 4p.m. Stop by between class for a quick one-on-one advising session with a peer adviser in your particular field of study. We offer resume editing, general counseling on all ICC resources, help with our online job database Aggie Job Link, group-advising sessions on interviewing, resume writing, job searching and more! [Event Schedule](http://success.ucdavis.edu/study-skills/index.html)
Need Agricultural and Environmental Science advising? The ICC has peer advisers specifically catered to your major; drop-in and uncover a wealth of career-oriented information. Schedule available HERE. ICC’s A&ES Student Advisors hold drop-in hours at the ICC in 2nd Floor South Hall. Their hours are Mon, Wed, Fri at 10am-3pm, Tues from 10am-1pm, and Thurs 2pm-4pm.

**Some of the services student advisors offer include:**
- Advising related to Agriculture & Environmental Science careers
- Aggie Job Link help and Job or Internship searches
- General ICC Services
- Interview Practice and Mock Interview (@AJL) help
- Preparing for career fairs
- Resume & Cover Letter coaching
- Transcript Notation questions

Need more help? See an ICC’s A&ES Program Advisor. Drop-in Mon and Thurs, 2-4pm, 2nd Floor South Hall. Program Advisors can provide in-depth career exploration and referrals, internship and job search strategies beyond Aggie Job Link, and information on transcript notation. They can also critique your resume and cover letter.

To schedule an appointment, call reception at 530-752-2855 (option 7) or email iccaes@ucdavis.edu
Quick Questions can also be addressed to: iccaes@ucdavis.edu
Read more at http://iccweb.ucdavis.edu/AES/index.htm

**Center for Leadership Learning**
The Center for Leadership Learning offers several programs designed to support you in improving your skills that will give you an extra edge when applying for jobs, internships and graduate school or taking on current leadership roles on campus! Our development programs are designed for all undergraduate students from all majors, class levels and levels of experience with leadership.

CLL’s development programs can especially help students who may be interested in developing their leadership potential, their professional skills, and competitive edge on the job market. They can also help students take leadership roles on campus. Remember, leadership is a solid foundation that will enhance your academic, professional and personal lives for many years to come! Get involved and let us help you start building that foundation!

**ETX Health/ Medicine Emphasis**
If you are considering or are currently focusing on health and medicine as your ETX major emphasis, or if you are considering applying to pharmacy, dental, or medical school, sign up for the health sciences listserv (hsb@ucdavis.edu), at https://iccweb.ucdavis.edu/students/ListServSignup.htm. You will find many postings for health related volunteer opportunities and internship opportunities. We will include some things in the newsletter but for more comprehensive resources, consider signing up for this listserv. Good luck!

Also, if you are interested in healthcare, bioscience, or research fields you should go see the Student Advisors for Health & Biological Sciences at South Hall in Room 205! Their drop-in hours are Monday – Friday, typically from 10:00 am to 4:00 pm (slight schedule variations can be found here). The advisors can help you find internship/job opportunities and help you with resumes, cover letters, interview basics, and more!

**Chemistry Tutoring**
Would you like tutoring from a UC Davis Chemistry Graduate student? Check out the complete listing on the Chemistry department website:
http://chemistry.ucdavis.edu/Undergraduate/Tutors_in_Chemistry.html

Personal Statement Review for Graduate and Professional School
UC Davis students and alumni can have their personal statements (PS) for graduate and professional schools reviewed by one of the Pre-Professional/Pre-Grad Staff Advisors. Workshops on writing personal statements are offered by Staff Advisors throughout the academic year. These workshops are announced on the Pre-Health Events and Pre-Graduate School listservs.

To utilize Personal Statement Review service, follow the steps at the Student Academic Success Center: http://success.ucdavis.edu/grad-prof/personal-stmnt.html

Getting Transcript Notation
Want Transcript Notation (TN) for your internship? Want TN for doing research with a professor? Many students who participate in internships or research at UC Davis are not aware they can receive Transcript Notation (TN). The Internship & Career Center offers Transcript Notation to students who work at an approved and supervised internship for at least 40 hours per quarter. With just a bit of online paperwork, you can have your internship title, location and quarter taken noted on your official UC Davis transcript.

Instructions on how to file TN online: http://iccweb.ucdavis.edu/pdf/2011AJLStudentTN.pdf
Want academic units instead? See http://iccweb.ucdavis.edu/students/AcademicCredit.htm
