Announcements

California and Ecology Conservation Program**

Application deadline: April 2, 2019

California Ecology and Conservation brings together 27 undergraduates from across the UC system for seven weeks of intensive learning at NRS reserves. Experienced field instructors help undergraduates transform into scientists. Students complete a series of increasingly independent research studies while learning to notice natural patterns, frame questions into feasible research projects, and practice standard field techniques. At the conclusion of each project, students analyze their data and present their findings in oral presentations and written reports. Students hone their research, public speaking, and scientific writing skills with constant practice and feedback. All the while, students gain a working familiarity with California's diverse ecosystems.

All UC undergraduates who have a 2.5+ GPA, are in good standing with their home campus, and have successfully completed an introductory biology course are eligible to apply.

More information can be found on their website: <https://ucnrs.org/teaching/cec/>

Applications can be found here: <https://nrs.submittable.com/submit>

Winter Internship and Career Fair

When: Wednesday, February 27th, 2019 10 a.m.- 2 p.m.

Where: ARC Pavilion at UC Davis

It's time to get your resumes ready! The Winter Internship and Career Fair is a great way to network with employers and to find your next job or internship. If you need help getting started, visit the ICC Website for information on Resume Workshops and more!

<https://icc.sf.ucdavis.edu/>

Wildlands Studies: Quarter-long Abroad Programs

Visit their website for full project descriptions, photos, and more:

<https://wildlandsstudies.campbrainregistration.com/>

Through Wildlands Studies field courses, students learn valuable research techniques and gain a tremendous advantage in their graduate school applications. All programs have space available. Apply now!

Spring 2019: Australia and South Africa

Summer 2019: Alaska, Belize, Australia, Yellowstone, Big Sur, Channel Islands

Fall 2019: New Zealand, Peru, Nepal

Winter 2020: Chile, Ecuador, Thailand/Indonesia, the Pacific Islands

Spring 2020: South Africa, Cuba, Indian Himalaya

Wildlife Conference: "Discover Your Niche"

When: Saturday, March 9th, 8:30 AM - 5 PM

Where: Wellman Hall

This Winter quarter, the Wildlife Society- UC Davis Student Chapter will be hosting our first ever Wildlife Conference, "Discover Your Niche"!

Events include guest speakers (such as the past Chief Deputy Director of California Department of Fish and Wildlife, Kevin Hunting) field method workshops, research presentations and networking opportunities with professionals, graduate students, and more! Attendees will be provided with a light breakfast as well as a catered lunch from Dos Coyotes.

The registration fee is \$15 which will cover breakfast and lunch. All other activities and merchandise come completely free. This event is open to everyone, including professionals, graduate students, nonmembers and students from other institutions.

You can pay for your registration through this link:

<https://the-wildlife-society-2019-conference.cheddarup.com/>

SHCS Career Counseling

Where: North Hall

The SHCS is providing career counseling for registered UC Davis students. They offer individual or group counseling, helping students identify their strengths, career goals, and self concepts. Please visit <https://shcs.ucdavis.edu/career-counseling> for more information and scheduling appointments.

Seniors: Get Your Degree Worksheet Signed and Turned In

Those in Senior standing who wish to graduate in Winter 2019, need to see their faculty advisor and get a signature showing approval of their Restricted Electives list. This is necessary for graduation. You should have received an email reminding you of who your faculty advisor is. You should see them after completing this form:

[http://etox.ucdavis.edu/files/8514/6179/4864/ETX_Requirements_Checklist_2012-14 - NEW.pdf](http://etox.ucdavis.edu/files/8514/6179/4864/ETX_Requirements_Checklist_2012-14_-_NEW.pdf)

This includes restricted electives that you plan to take before graduating, but have not taken yet.

Important Dates/ Deadlines

- Pass 2: February 25 - March 8
- Last Day to File to Graduate Spring 2019: March 15
- Last Day to Register to Walk Spring Commencement: April 12
