

Environmental Toxicology Department

First-Year 1st Quarter Plan

Each plan provides recommended courses based on your placement exams scores or past courses. To find out what your exam scores mean, please look over the [chemistry](#) and [math](#) placement exam requirements. Additionally, if you did not fulfill the ELWR you should take the course that you tested into. This may be an [ELWR course](#) or [UWP 21/22](#). If you fulfilled the ELWR, you are not required to take an [English Composition](#) course your first quarter at UCD.

Plan A: Recommended courses if you have passed the Entry Level Writing Requirement, CHE, and MAT placement exams. This plan assumes you are ready to enroll into CHE 2A and MAT 17A/MAT 21A.

Plan B: Recommended courses if you did not pass one of the placement exams. This is a sample plan that assumes you would need to take a workload course for chemistry. Similarly, if you did not pass any of the other placement exams you would need to take the workload course for it.

Plan C: Recommended courses if you did not pass any of the placement exams. This plan assumes you would need to take workload courses for chemistry, English, and math. Please be aware that some workload courses are only offered in Fall (WLD 41C, WLD 55M).

FIRST YEAR - 1ST QUARTER PLAN					
PLAN A		Plan B		Plan C	
FALL		FALL		FALL	
CHE 2A	5	WLD 41C	3	WLD 41C	3
MAT 17/21A	4	MAT 17/21A	4	WLD 55M	3
ETX 10/GE	3	ETX 10	3	UWP 7	4
ETX 190 (optional)	1	GE	3	ETX 10	3
		ETX 190 (optional)	1	ETX 190 (optional)	1
total	12/13	total	13/14	total	13/14

Transfer Student's 1st Quarter Plan

In **Plan A**, Transfer students are recommended to enroll in ETX 101 if they satisfy the prerequisite requirements. Please look over your transcript to see if your previous courses satisfy the requirements. In **Plan B**, this is a recommended plan if you decide to not take ETX 101 in the fall, but you satisfy the requirements. Lastly **Plan C**, this is a recommended plan if you still need to satisfy the prerequisites.

TRANSFER STUDENT - 1ST QUARTER PLAN
